Hi-Ya-

Alfred. G. Perry.

San Nicolas Isle.

June 28, 1938 - Tuesday.  
Arrived about 10<sup>00</sup> <sup>AM</sup> and  
spent the day unloading  
supplies - Met the Mac Waters  
and they seem like nice  
people - Turned in early  
as we were all in -

June 29 - The Veris came  
in bringing Ed's radio  
supplies to him. The sailors  
helped us load the wool  
so we finished that much sooner  
Spent the afternoon loading  
sheep - Shipped out 140 lambs  
The Barge left about 6. <sup>00</sup> PM  
taking Margaret & Roy and  
the riders.

June 30

The Mac Waters left at  
noon on the Clever. And  
we have been cleaning  
house and hauling sup-  
plies this afternoon.

Spent the morning marking  
the lambs Roy left. Marked  
27 Bucks & 26 Ewes -
